

ENSTO UTILITY NETWORKS REFERENCES IN EUROPE SINCE 1962

Over 300 000 000 connectors sold in 50 years.

Ensto solutions delivered to more than 3 000 000 kilometers of overhead lines and underground cables.

Country	Sales as of	Customers	Scope of the Project	
Austria	1971	Regional electricity utilities:	Accessories for LV and MV network	
		Energie Steiermark	Connectors and piercing connectors	
		Kärntner Elektrizitäts-AG	Suspension fittings	
		Tiroler Wasserkraft-AG	Tools	
		Linz Strom Wienstrom		
Belgium	1970	Elektrabel SA	Connectors, Suspension fittings	
		Belgian National Railways (SNCB)	Connectors, Suspension fittings	
Bulgaria	1998	Regional electricity utilities	Accessories for LV and MV network	
			Connectors and piercing connectors	
			Suspension fittings Tools	
Czech Republic	1991	Regional electricity utilities:	Accessories for LV and MV network (bare and covered conductor lines - PAS)	
		CEZ Group	Connectors and piercing connectors	
		E.On Group	Suspension fittings	
		PRE	Tools	
			Porcelain and composite insulators for MV network	
Croatia	1995	Regional electricity utilities	Accessories for MV network	
			Connectors and piercing connectors	
			Suspension fittings	
			Insulators Tools	
Cyprus	1990	Electricity Authority of Cyprus (EAC)	Accessories and tools for low voltage networks	
Estonia	1992	Regional electricity utilities:	Accessories for LV and MV network	
		Empower EEE AS	Connectors and piercing connectors	
		Eltel Networks AS	Suspension fittings	
		Fortum Elekter AS	Insulators, cross-arms	
		Eesti Energia AS	Tools	
		Underground cable accessories and cabinets		
		Cold shrink and hybrid products		
Finland	1962	Regional electricity utilities:	Accessories for LV and MV network	
		Suomen Energia-Urakointi Oy	Connectors and piercing connectors	
		Porvoon Sähköverkko Oy	Suspension fittings	
		Koillis-Satakunnan Sähkö Oy	Insulators, cross-arms	
		Tampereen Sähköverkko Oy	Tools	
		Vaasan Sähköverkko Oy	Underground cable accessories and cabinets	
		Seinäjoen Energia Oy	Cold shrink and hybrid products	
		Kokemäen Sähkö Oy	Power Quality products, Voltage booster	
		Oulun Energia Siirto ja Jakelu	Cold shrink and hybrid products	
		Koillis-Lapin Sähkö	Cold shrink and hybrid products	
		Tornionlaakson Sähkö	Cold shrink cable accessories for MV networks and hybrid products	
		Rovakaira	Cold shrink and hybrid products	
		Fortum Sähkönsiirto	Cold shrink cable accessories for medium voltage networks	
		Savon Voima Verkko Oy	Cold shrink cable accessories for MV networks and hybrid products	
		Parikkalan Valo	Cold shrink and hybrid products	
		PKS Sähkönsiirto	Cold shrink cable accessories for MV networks and hybrid products	
		KSS Energia	Cold shrink cable accessories for MV networks and hybrid products	
		Kymenlaakson Sähkö	Cold shrink and hybrid products	
		Ääneseudun Energia	Cold shrink and hybrid products	
		Kuoreveden Sähkö	Cold shrink cable accessories for MV networks and hybrid products	
		Nurmijärven Sähkö	Cold shrink cable accessories for MV networks and hybrid products	
		LVT –yhtiöt	Cold shrink cable accessories for MV networks and hybrid products	
		Pietarsaaren Energialaitos	Cold shrink and hybrid products, Power Quality products, Voltage booster	
		Kruunupyyn Sähkölaitos	Cold shrink and hybrid products, Power Quality products, Voltage booster	
		Forssan Verkkopalvelu Oy	Cold shrink cable accessories for MV networks and hybrid products	
		Rauman Energia	Cold shrink cable accessories for MV networks and hybrid products	
		Mäntsälän Sähkö Oy	Cold shrink cable accessories for MV networks and hybrid products	
		Vaasan Sähköverkko Oy	Underground cable accessories, Power Quality products, Voltage booster	
				Cold shrink cable accessories for medium voltage networks
				Cold shrink cable accessories for MV networks and hybrid products
				Caruna
				Seinäjoen Energia Oy
	2011	Rovakaira	Cold shrink cable accessories for medium voltage networks	
	2012	Äänekosken Energia	Cold shrink cable accessories for medium voltage networks	

ENSTO UTILITY NETWORKS REFERENCES IN EUROPE SINCE 1962

Over 300 000 000 connectors sold in 50 years.

Ensto solutions delivered to more than 3 000 000 kilometers of overhead lines and underground cables.
